

Elmo's organization footprint

Sustainability is in elmo's DNA

We have through circular economy successfully integrated sustainability into our core business.

Our 'Zero Waste Leather' is unique in the worldwide industry and enables us to meet the Paris Climate objective of 1,5 degrees.

Elmo product LCA, verified by third party certification body, is in core (cradle to gate) as low as 5.23 kg CO₂e/m² reduced by almost 40% between 2012 to 2020.

Elmo's organization footprint t CO₂e/y: period 2018 -2021, Scope 1 and 2:

	2018	2019	2020	2021
Scope 1	19,14	17,97	14,24	16,26
Scope 2	657,56	636,20	501,52	446,74
Total	676,70	654,17	515,76	463,00
